

SEPTA Committees 2014/2015

Septa is in need of your membership and time to help our unit. We are looking for people to help out on our committees, work with others and be able to put in extra time to make our SEPTA as successful as it can be. Most of the below positions are for liaisons. A liaison is a person who can attend specific committee meetings, update and report back to our membership at our monthly meetings. If you are already taking any of these positions in your home school you may want to consider doing it for SEPTA as well. We look forward to many fun events in the coming school year and look forward to many fun times ahead.

Council Delegates: Two people who will attend monthly PTA council meetings and report back to SEPTA about the happenings with the PTA council. These are night meetings.

DAWC: Liaison for Drug Advisory Wellness Council. This is a community based council that addresses the issues of our community. Meetings are usually held once a month.

DOCA: Liaison for the Department of Community Activities.

Gifted & Talented: This position is for someone to update us on news and bring awareness of programs that are in place regarding our gifted and talented children.

Grants/ Scholarship Coordinators: This position is to aid the Executive Committee in the distribution of monies to programs that aid our children and to help further the education of children in our SEPTA community after graduation.

Legislation: Keep the members informed of current legislation affecting our schools, coordinate letter drives as needed to our NYS & Federal legislators.

Staff Appreciation: Committee to work with the SEPTA Executive Committee in coordinating our annual staff appreciation party. This entails creating a theme, securing food donations, decorations as well as set up and clean up.

Family Fun Night: Organize a night out for families at a local venue. Secure raffle items and food for this event.

Cookbook Committee: Organize a team of people who will collect recipes, submit, organize and help publish and sell SEPTA's first cookbook.

Technology: A position for a computer, internet savvy person. SEPTA is looking to publish and maintain a Facebook page.

Newsletter: Contribute to our SEPTA newsletter, updating members about things that are happening in the SEPTA community. Published 2-3 times a year.

Nutrition: Liaisons for school district Nutrition meetings.

PASS: Liaison for Parents and School Seminars, which provides us with speakers as well as workshops through the school district.

Workshops: This position is for someone who can research topics, workshops and speakers for the coming school year to present to our membership.

If you have any interest, please talk to us. Most of these positions are not time consuming, and it may be easier to have someone else to work with. We all need to be here for our children. We need new faces and new ideas to help keep SEPTA going. PLEASE!! Consider helping. Our children and fellow parents need you.
